I don't know what I would do without my friends' \_\_\_\_\_. They've all given me so much good advice over the years. It's \_\_\_\_\_ very difficult to make decisions on your own. Listening to advice \_\_\_\_\_ be great for helping you make the right decision. The greatest piece of advice I've received was from my father. He told me I \_\_\_\_\_ do anything in life if I try hard. He was right. I am now passing on his advice to my own children. Right now I need some advice on money. My financial advisors are telling me to be very careful. That's very sound advice. I would advise anyone to do the same. \_\_\_\_\_ asked me the other day about the worst piece of advice I've ever had. I \_\_\_\_\_ answer. I don't think I've had any really bad advice.
